## Buy Terms

Your shipment needs to include: Your stamps clearly identified and carefully counted. (#4 glassines preferred, only one Scott# or set per glassine, up to 100 of each per glassine is OK, with quantity marked on each envelope)  
 Sheet files are OK for sheets and large pieces. Even if you only have 1 of each #, please do not mix Scott #'s in the same glassine. We can supply used glassines if needed, at no charge, if you send a large SASE.  
 A neat, itemized invoice including your telephone number, Catalog number, quantity shipped, and total price. Specific instructions on where we should remit payment. Your cooperation helps us in offering premium buy prices. FDC's must have a cachet related to the stamp.  
 You can send up to 1,000 of any of the mint stamps listed under \$1.00, and 200 over \$1.00 without prior confirmation.  
 Sheets: Sheets must be good as sheets without folds, bad seps, or other faults  
 Faulty sheets counted as single stamps. Top prices paid for all sound US sheets. Plate Blocks: Plate Blocks are valued based on our single buying price. For plate blocks with carry a significant catalog premium, we will pay fair market value.(e.g. 370 plate block has a significantly higher catalog value than 6 single copies of 370)  
 If you have higher value plate blocks you wish to sell, please inquire! Se-tenant sheets with extra singles – add face to block  
 Se-tenant blocks – prices are for blocks in the proper order; as listed in the Scott Cat.Se-tenant sheets with extra singles – add face to block prices.

All US Mint wanted – if your stamps are not listed on our buying list, please email or call with your offer. Prompt payment!  
 Ship with Confidence! We are a major stamp dealership with 28+ years of experience serving the philatelic community.
