

# German Specimen Overprints

2008 Price List

German Specimen Overprints with the German word "Muster" (literally "sample") were issued from the 1950's on for presentation and promotional purposes and to give advance notice and information on the design to be issued. They were issued in limited quantity and the rarest of the German Specimens are for issues that were withdrawn before being issued. These can sell for many thousands of dollars!

We invite you to browse through our list. German Specimen Overprints make an exciting addition to any Topical or German collection or exhibit.
