Please visit our website: <<http://www.hgitner.com>>www.hgitner.com or ask for your copy today!

Marshall Islands Press Sheets are similar to U.S. Press Sheets - but were never sold to the general public. The Press Sheets are mint NH on regular stamp paper and come in many different configurations and are available both perforated and imperf. HGPI is the proud owner of the entire archive.

This list prices imperf singles with margins. Items from the perforated Press Sheets are available upon request. Want lists for topics as well as special positions including cross gutter blocks & full sheets are invited!
