Whether you enjoy stamps or Postal History - You don't need to be a specialist to appreciate this fully illustrated color catalogue.

How many collectors have struggled over the types of classic stamps through the 1920's. Each type difference is fully described and illustrated along with differences not normally mentioned! You could spend hundreds of dollars on books and catalogues and still not have all of the information contained in these two volumes. Just buying this catalogue once will give you a lifetime of information!

FREE - French/ English Philatelic Dictionary with your purchase of this catalogue. Hundreds of definitions to help you better use this wonderful catalogue. To receive this dictionary - just include a note with your order about any of your U.S. or Worldwide collecting interests and how we can help you add to the enjoyment of your collection. Don't worry - no approvals! And if you have material to sell - let us know!
