SPECIAL COMMEMORATIVE PICTORIAL POSTAL CARDS 1994-2012

From 1994 to 2012, the USPS issued a new style of Postal Cards beginning with the Legends of the West Issue. The sets showed each issue with the post card rate and the matching full color design on reverse. Most were se-tenant issues with 4-20 different designs but included the Warner Bros. series and Love stamps as either single or multiple designs. The final 2012 consisted of 10 of the Airmail Scenic Landscapes designs. HGPI sells them as the USPS sold them in sealed packs—often in booklet form. All are listed in both Scott & Brookman—415 designs—and priced as low as original USPS cost & 25% of Scott.
