You may not have had the millions to have bought the World's Most Famous Stamp, The British Guiana 1¢ Magenta, but you can own United States Plate Blocks and Mint Sheets from John DuPont's Famous Stamp Collection.

On April 27, 2014, Schuyler Rumsey Philatelic Auctions, Inc. sold the Mint Sheet section of the John DuPont Collection. HGPI purchased the largest volume of his sheets from the 1930's to the early 2000's.

The Professional Stamp Experts (PSE) has kindly agreed to provide individual certificates of authenticity picturing the plate block from each sheet affirming the DuPont provenance. Only about 700 sheets could exist, as well as several hundred plate blocks which will also have individual PSE Certificates from the John DuPont collection.
