### <u> Original Artwork & Plates for Artmaster</u>

This amazing stock from 1948-2001 has both the original Artwork used for the cachets and the metal plates from which they came. Also included are many House of Farnam Artwork. The early Artmaster covers were single color engravings and then, starting with the Christmas issues of the 1960's, they began experimenting with multicolor printing. Artmaster also printed special commercial mailers for the Bekins Moving Company from 1962-1972. These unique plates and artwork are sure to pique the interest of both Issue and Topical collectors!

Other Cachet Artwork

Artcraft Archives HGPI is the exclusive seller of the ArtCraft original production artwork and engraving plates from the Washington Press archives. The artwork and plates being sold are from the period between 1939 and 2002. Using a combination of photography, airbrushing, free-hand touchup and old-fashioned cut and paste, designs were created on artboards.

Jack Davis Artwork Cachet maker Jack Davis sold covers in the 1970's and 1980's Most of this artwork measures 8 ½ " x 11" and is pen and/or pencil on paper. The majority of these are the final drawings for the cachets but there are also some preliminary sketches.

Ralph Dver Artwork Among the earliest cachet makers who produced significant quantities was Ralph Dyer who started in 1926. We offer the original artwork used as a template for his hand painted cachets. There are final sketches as well as preliminary sketches. Most measure approximately 3" x 4.25, are typically pencil on tracing paper and are translucent

We have a vast array of unusual cachets, cancels and usages from 1920's - 1990's.

A few highlights are listed below:

FDC's Autographed by Designers and Engravers The bulk of these are from a collection where the owner of the collection had sent letters to various people associated with the stamp and had FDC's made - each signed by someone involved with the issue, designer, letterer, engravers etc. It is rather unusual. The covers are sold as sets which are typically 3 or 4 covers. (Each cover is priced between \$75.00 - \$175.00) For some Scott numbers, this lot also includes letters from people pertaining to the issue. <u>Harry Hartl Monarch sized FDC's 1958-1971</u> Mr. Harry Hartl designed cachets in the 1950's and 1960's. He printed only a handful of each issue. His earlier designs are primitive but interesting. He priced his FDC's very high for the times so very few were sold. Very few have ever appeared on the market and count among the rarest of printed cachets that exist for the time period.

Photo Essays and Autographed Plate Blocks (price list available)
Photo Essays - Photo essays were photographed proposed designs of stamps that
were never issued and often contain topical elements not found in the issued stamp. Approved photo designs are usually signed by the designer or engraver.

<u>Autographed Plate Blocks</u> - These are mint plate blocks generally autographed by the designer, lettering and frame engravers Also, there are plate blocks that are signed by the famous individuals who inspired the issue.

Many other miscellaneous items may be available for your issue including: Photographs used for design, Souvenir Programs, Press Releases letters relating to issue. Let us know your areas of interest!
