rev. b

We are pleased to offer the previously un-known Press Sheet Archives of Marshall Islands from 1989-2006! Included is almost every issue from this period. Marshall Islands Press Sheets are similar to U.S. Press Sheets – the original format in which the stamps were printed. Unlike U.S., Marshall Islands press sheets were never sold, only cut down and sold as normal sheets through the Post Office & Agency.

Mint NH on regular stamp paper with oversized margins, these Press Sheets come in many different configurations. There may be small quantities of an issue; may be mixed issues, up to 4 different on a single press sheet; or even several Micronesia Lunar Year sheets printed at the same time as Marshall Is! Each Imperf press sheet yields as little as 2 imperfs (Pope John Paul II M/S #858; 50 U.S. war ships #649) to 72 imperfs. Normally, 5 perforated press sheets and 10 Imperforate press sheets were saved for archival purposes. We have available the entire archive so no others are available.

This list prices imperf singles with margins. Items from the perfed Press Sheets are available upon request. Each perforated press sheet yields from 1 to 36 gutter pairs. Perforated gutter pairs, while more than 4x as scarce as Imperfs, are sold at the same price as Imperf marginal singles. Want lists for topics as well as special positions (cross gutter blocks to Full press sheets, etc.) are invited! Imperf pairs/blocks are 2x/4x listed price. Marshall Islands' famous WWII set of 100 issues (157 stamps) are included

below. The WWII issues below range from 80x to 720x imperfs in existence.
